Convectuoso (Demo Version)

Glassjaw

I am Caligula Gluttun of gluttons The whore over man. Men over women, Man over woman, And I'm.. not ashamed to admit "I love all of you" I'ts not enough to say And I'm aroused You lie here, you lie here. We are ok in a misguided sadist way We are ok. We are ok in a desabled veteran's way We are ok. Can I ever begin to imagine The terrible It haunts your mind. Itch in mine The end of mine. A family of five I travel with thieves again I died with wolves again. What did I teach you? What did I teach you? And I... You're lying, you're lying We are ok in a misguided sadist way We are ok. We are ok in a desabled veteran's way We are ok. So don't confuse why we put you here A notch on my belt is how you shall exist Or your automation for individuality A notch on my bedpost is how you shall exist And no more no less for the common good That's you, American womanhood That's you, American womanhood. It haunts your mind It haunts your mind. We are ok. We are ok in a misguided sadist way We are ok in a desabled veteran way Ha ha ha ha ha. We're so cold.
