

Do You Miss Me (killians) Gutierrez

Lucky Boys Confusion

The radio plays our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone
The DJ play our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone
Do you miss me
Do you miss
Do you miss me
Do you miss
Do you miss me
Do you miss
Do you miss me
I remember the day that you told me
You wanted to find another man, yeah
Now I hear you cry every time
We play Arizona Stand
Now I'm standing here
With 50 of my friends and a keg of Killians
And you're at home
With your Ani DiFranco tapes again
The radio plays our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone
The DJ will play our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone
Do you miss me
Do you miss
Do you miss me
Do you miss
Do you miss me
Do you miss
Do you miss me

It's half past ten, no sign of cops
The barrels going strong
Three more beers
I'm sure'll make me feel like I belong
And everyone here reminds
There's no point in going home
And everything there reminds me
That I'm still alone
The radio plays our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone
The DJ will play our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone
Do you miss me
Do you miss me
Do you miss me
Do you miss me
You got your secrets
Reasons why you said it's over
That was my ticket
To never again be really sober
I'm so divided
Holding on while cursing you
But unlike you right now
I got nothing to prove
The radio plays our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone
The DJ will play our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone
