Work the Middle

Alex Aiono

Come and meet me where the lights low
Where it's just me and you
Girl take me to the night show
Give me a front row view
Baby don't say no, no, no, no
You know what I wanna do, yeah
I could be your maestro and never play you for a foolOh, yeah I'm three seconds from way to gone I know
And I'm two seconds from blowing up your phone
You're the one I wanna see when I get home
Don't leave me aloneCome and meet me at the afterparty
Bring your body, mama work the middle
Just a little don't tell nobody
Bring your body, mama work the middle
Come and meet me at the afterparty
Bring your body, mama work the middle
Just a little don't tell nobody
Bring your body, mama work the middle
Just a little...Oh, I, oh, I
Oh, I, oh, IAfter the little photo
I keep my eyes glued to you
Don't keep me waiting solo
I already ditched the crew
Baby don't say no, no, no, no
You know what I wanna do, wanna do for you, wanna do for you, yeahOh, yeah I'm three seconds from way to gone I know
And I'm two seconds from blowing up your phone
You're the one I wanna see when I get home
Don't leave me aloneCome and meet me at the afterparty
Bring your body, mama work the middle
Just a little don't tell nobody
Bring your body, mama work the middle
Come and meet me at the afterparty
Bring your body, mama work the middle
Just a little don't tell nobody
Bring your body, mama work the middle
Just a little...Oh, I, oh, I
Oh, I, oh, I
Come and meet me yeahCome and meet me at the afterparty
Bring your body, mama work the middle

Just a little don't tell nobody
Bring your body, mama work the middle
Come and meet me at the afterparty
Bring your body, mama work the middle
Just a little don't tell nobody
Bring your body, mama work the middle
Just a little (hey!)Where it's just me and you girl
Oh, I, oh, I
Oh, I, oh, I
It's just me and you, girl
