

D.M. Me

We Are Monroe

Verse:

Clearing your mind you'll see
keeping your eyes fixed on
the only one you'd sink between your teeth
indulging every need
Cause you know it's going down
I can feel it changing
hiding away in the dark I've been holding out on you

Chorus:
So don't sweat... sweat

I won't leave... Oh oh Oh oh
No ones gonna fuck this up tonight but me... me
and you'll see... Oh oh Oh oh
nothing's gonna fuck this up tonight

So don't sweat... sweat

I won't leave... Oh oh Oh oh
No ones gonna fuck this up tonight but me... me
and you'll see... Oh oh Oh oh
nothing's gonna fuck this up tonight

Verse:

Do you feel it going down
can you hear me calling?
looking down deep in yourself
can you see me stirring
Cause I'm breaching the core resisting the pain
Keeping my hold on you,
fighting the shame away
to tell you just what I think about that
to tell you just what I think about that

Chorus:

So don't sweat... sweat

I won't leave... Oh oh Oh oh
No ones gonna fuck this up tonight but me... me
and you'll see... Oh oh Oh oh
nothing's gonna fuck this up tonight

So don't sweat... sweat

I won't leave... Oh oh Oh oh
No ones gonna fuck this up tonight but me... me
and you'll see... Oh oh Oh oh
nothing's gonna fuck this up tonight
