

It Wasn't Me (Live At Oosterpoort)

Anouk

Can you tell me how you feel
When you turn on your tv
When you see me singing through my tears
I've saved up all these years
Can you tell me what you see
When you read the magazines
Do you see yourself in me
When you read the magazines
When the DJ plays this song
Can you tell me what you hear
And I hope you feel the way we felt
When you put us all through hell
Can you tell me how you feel now
How do feel, how do you feel
Tell me how you sleep at night
Do you take those pills like me
Or do you toss and turn
And lay your head on the pillow and fall asleep
'Cause you just don't care,
How do you feel
And now I'm in your face
And you feel that empty space
Why did we, how did we come to fall from grace
Falling, falling
Didn't you just hear us calling out
No there's nothing left to say
'Cause you shouldn't have stayed away
No man leaves his flesh and blood
This way
And I hope you feel the way we felt
When you put us all through hell
Can you tell me how you feel now
How do feel, how do you feel
Tell me how you sleep at night
Do you take those pills like me
Or do you toss and turn
And lay your head on the pillow and fall asleep
'Cause you just don't care
How do you feel
