Phil Was Always Here

Plumtree

No matter what I do
You'll do it too
No matter where i go
You'll get there tooNext time i see you, I'm going the other way
Next time i see you, I'm going the other wayNo matter what i say
You'll find a way
To say the same thing
A little differently
Next time I see you, I'm going the other way
Next time I see you, I'm going the other wayNext time I see you, I'm going the other way
Next time I see you, I'm going the other wayNo matter what I do
You'll do it too
No matter where i go
You'll get there too
Next time i see you, I'm going the other way
Next time i see you, I'm going the other wayNext time i see you, I'm going the other way
Next time i see you, I'm going the other way
