

# The Long Way Home

[Lenka](#)

Even though the world is dark  
Try to light a little part  
Don't go run and hide Give a little of my heart  
Only then the beat will start  
Keeping me in time Life, doesn't wait for long Oh, oh, it's a winding road,  
Oh, oh, take the long way home,  
Oh, oh, when you're there You'll know,  
You can find yourself on the long way home Ohh ohh ohh, take the long way home  
Ohh ohh ohh, take the long, way, home Sinking in the undertone,  
Never knowing where to go,  
How to find something more? Looking for a kind you want,  
Only then the dreams will come,  
Knocking on my door Life doesn't wait for long Oh, oh, it's a winding road,  
Oh, oh, take the long way home,  
Oh, oh, when you're there you will know,  
You can find yourself on the long way home Oh, oh, it's a winding road,  
Oh, oh, take the long way home,  
Oh, oh, when you're there you will know,  
You can find yourself on the long way home Oh, oh, it's a winding road,  
Oh, oh, take the long way home,  
Oh, oh, when you're there you will know,  
You have found yourself on the long way home So take the long way home  
Take the long way home
