

# Trouble (gbx Mix)

## Neon Jungle

I don't look for trouble  
But trouble looks for me  
And it's been waiting around corners  
Since I was seventeen  
They say "Here comes a hurricane  
Trouble is her middle name!"  
But I don't look for trouble  
Yeah trouble looks for me  
Hey hey! I just want to live a quiet life  
I'll make an excellent wife  
Man I swear I really try  
But some boys they just can't eat it whole  
Trouble is my name you know  
(Trouble is my name you know) I don't look for trouble  
But trouble looks for me  
And it's been waiting around corners  
Since I was seventeen  
They say "Here comes a hurricane  
Trouble is her middle name!"  
But I don't look for trouble  
Yeah trouble looks for me  
Hey hey! Hey!  
Hey hey!  
Hey!  
Hey hey! I don't look for trouble  
But trouble looks for me  
And it's been waiting around corners  
Since I was seventeen  
They say that you  
Got so many sides  
I'm a Gemini  
But I don't look for trouble  
Trouble looks for me Lights up let's have a toke  
Pour more whiskey in my Coke  
Never been one of the herd  
Flipping everyone the bird  
People say that I am heartless  
I've just learned to use my heart less  
I go hard 'cause I'm the hardest

And we ain't even started yet!Hey!

Hey hey!

Hey!

Hey hey!

Hey!

Hey hey!

Hey!

Hey hey!

Trouble!I don't look for trouble

But trouble looks for me

And it's been waiting around corners

Since I was seventeen

They say "Here comes a hurricane

Trouble is her middle name!"

But I don't look for trouble

Yeah trouble looks for me

Hey hey!Hey!

Hey hey!

Hey!

Hey hey!

Hey!

Hey hey!

Hey!

Hey hey!Trouble!
