## Blood Red Shoes

Hey,  
Keep me from you  
I don't want to be around anyone  
You are free to let go  
Follow slowlyCold, cold  
Heart, heart  
Cold, cold  
Heart, heart  
Cold, cold  
Heart, heart  
Cold, cold  
Heart, heartTake a step out into the daylight  
I don't wanna fight for it all  
And forget it when we fallYou and I are moving the same way  
I don't wanna fight for it all  
And forget it when we fallHey  
I seen your face  
Look at me  
Like  
I'm nothing  
I believe in your air  
Something is happeningCold, cold  
Heart, heart  
Cold, cold  
Heart, heartTake a step out into the daylight  
I don't wanna fight for it all  
And forget it when we fall  
You and I are moving the same way  
I don't wanna fight for it all  
And forget it when we fallCold, cold  
Heart, heartCold, cold  
Heart, heartTake a step out into the daylight  
Take a step out into the daylight  
Take a step out into the daylight  
I don't wanna fight for it all  
And forget it when we fall
