Fearless (Hidden Track)

American Music Club

Lost again, lost again
I closed my eyes and kept on going
Now I'm gone and nothing's gonna endure
Unless I love you even more
Found again, am I found again
By your hands, my home is in your hands
But that's a touch I don't deserve anymore
Unless I love you even more
A stubborn heart can stay broken forever
But someday the tightrope's gonna break
Will I fall into a cool cool river
Or will I fall into a frozen lake
Saved again, am I saved again
By your eyes, the tears in your eyes
Your tears are the only thing that makes me sure
I've got to love you even more
And your tears are the only thing that'll endure
Unless I love you even more
