

# Meet Me in the Back

Melissa Etheridge

I didn't say it  
I didn't  
I meant it  
You know I meant it Meet me in the back  
Don't make me wait too long  
I could change my mind  
And tell you that it's wrong So meet me in the back  
Where the light don't shine  
First show me yours  
Maybe I'll show you mine My hands are shaking  
And my heart is beating fast  
Is love worth making  
When it can never last So, meet me in the back  
Don't make me wait too long  
Baby, I could change my mind  
And tell you that it's wrong So, meet me in the back  
Where the light don't shine  
First show me yours  
Maybe I'll show you mine I'm gonna give directions  
I'm gonna take it slow  
But if I don't get protection  
I will just say, 'No' So, meet me in the back  
Don't make me wait too long  
Baby, I could change my mind  
And tell you that it's wrong So meet me in the back  
Where the light don't shine  
First show me yours  
Maybe I'll show you mine I can hear the music  
Pounding through the walls  
And to the beat of dancing  
I will give you all So, meet me in the back  
Don't make me wait too long  
Baby, I could change my mind  
And tell you that it's wrong So, meet me in the back  
Where the light don't shine  
First show me yours  
Maybe I'll show you mine
