

# She Moves Through the Fair

[Hayley Westenra](#)

My young love said to me  
My mother won't mind  
And my father won't slight you  
For your lack of kindShe stepped away from me  
And she moved through the fair  
And fondly I watched her  
Move here and move thereAnd then she went onwards  
Just one star awake  
Like the swan in the evening  
Moves over the lakeLast night she came to me  
My dead love came in  
So softly she came  
That her feet made no dinAnd she laid her hand on me  
And this she did say  
It will not be long now  
And she moved through the fair
