

# Ravishing Matt Ruth

## Chiodos

This melody never seemed quite right  
Nothing you could ever sing along to  
Eerie rhythms creeping through doors  
If I close my eyes you won't ever see me  
Count to ten you will never see me  
You won't ever see me  
Hide in sanction  
I'll show you how I bury myself tonight  
This fear runs through my veins  
Run, run as fast as you can  
Never look behind, never turn around  
Run, run till I find who I am  
Never look behind, never turn around  
As I fall face down, I was young  
And now I still remember  
I still remember everything  
And all the pain you caused  
I'm living in this misery, resisting evil thoughts  
This is what's been haunting me  
Beaten tossed around blatantly  
I scream out loud, I can't scream any louder
