Empty Streets-

Late Night Alumni

The city feels clean this time of night
Just empty streets and me walking home
To clear my head, I know it came as no surprise
I'm affected more than I had guessed on what was saidIf this love's not meant to be
If the heart's not ready to open
If we make it I won't see it's brokenIf this love's not meant to be
If the heart's not ready to open
If we make it I won't see how it's brokenIt's the quiet time before the dawn
And I'm half past making sense of it
Was I wrong?Should I think to give it all
In a world where not much
Ever seems to last long?If the love's not meant to be
If the heart's not ready to open
If we make it I won't see it's brokenIf this love's not meant to be
If the heart's not ready to open
If we make it I won't see how it's brokenHow it's brokenIf this love's not meant to be
If the heart's not ready to open
If we make it I won't see it's brokenIf this love's not meant to be
If the heart's not ready to open
If we make it I won't see it's brokenIf this love's not meant to be
If the heart's not ready to open
If we make it I won't see how it's brokenHow it's broken
How it's broken
How it's broken
