

Backwards Falconer

Small Feet

the backwards falconer
the inside-out cowboy
the upside down st
aren't so long the xxx on their brxxxs
the marvels of the rich and underpaid
you should've checked yourself
before checking the egvdf
there's no movement besides
the movement in your bowels
assurances remaining in the xxx
and making you smile
I like to think in my south intern soul
a gathering's on
are that I'm recruiting an army of xxxce
from the north
to st(r)uck the very heart the very core
to rexxx to live can be ignored
i wonder if the afford xxxare equals for all
watching xxx son giving xxx to the earth
inspiring the atoms in my body to burst
it's breakdown on ten
without
figuring it out
(did my best, gotta go)
