

# Puppy Love

## Bow Wow

(Oh)

J.E. y'all

Yo I'm looking for girls

(Bow Wow)

Girls that can give me puppy love

Ya know?

(He, he yeah)

Yeah it's goin down right here

West coast, bark on

(Come on)

East coast, bark on

(Come on)

Dirty South, bark on

Yeah

(Come on, come on, come on)

All young girls beware

This pup's off the chains

I'm gritty little something here

Putting down pain

Since I was six

Running with the pound

It's been going down

I'm city to city, town to town

They running up screaming my name

Running up grabbing my chain

Running up tryna get in the game

I'm like ma don't get it twisted

If we kick it get your bark on

Hope to God you see me again, when I'm grown

Type of playa but it ain't

It just sounds like that

Cause I'm just too young to get down like that

(I agree)

Hit the movies, hit the mall

Then come out with big bags

Next day do lunch then head Six Flags

But it don't mean nothin we're just having some fun

Even though I may have told you on the ride you're the one  
I'm sorry little shorty I gotta take that back  
Cause I'm just too young to get down like that  
So

(You can't hear me)  
Not a word that I be saying  
(Its plain to see)  
Girl I just be playing with you  
(Girl you and me, see it's just puppy love, oh)  
Bark on baby, bark on, bark on

Re(You can't hear me)  
Not a word that I be saying  
(Its plain to see)  
Girl I just be playing with you  
(Girl you and me, see it's just puppy love, oh)  
Bark on baby, bark on, bark on

Even if you're three years older than me  
And caught yourself noticing me  
In my mind, set don't change  
I might up my game  
But the story that I tell 'em  
When I tell it, it remains the same  
You wouldn't believe how they be coming at me  
Steady, steady tryna throw something at me  
Like I'mma get happy  
Just because honey got her learner's permit  
Can come and scoop me after school  
Like I'm supposed to be on it  
Naw ain't no sippin' over here  
It's Big Pimpin' over here  
And I hope that I make myself clear  
That when it comes to honeys yo I got some minutes  
And I ain't tryna get serious till I'm up in my twenties  
It's just the paper that I'm after  
The drop with the top I'mma cop when I'm able  
And that's all that matters  
So if I told you something shorty  
I'm taking that back  
Cause I'm just too young to get down like that  
So...

(You can't hear me)

Not a word that I be saying  
(Its plain to see)  
Girl I just be playing with you  
(Girl you and me, see it's just puppy love, oh)  
Bark on baby, bark on, bark on

(You can't hear me)  
Not a word that I be saying  
(Its plain to see)  
Girl I just be playing with you  
(Girl you and me, see it's just puppy love, oh)  
Bark on baby, bark on, bark on

(You can't hear me)  
Not a word that I be saying  
(Its plain to see)  
Girl I just be playing with you  
(Girl you and me, see it's just puppy love, oh)  
Bark on baby, bark on, bark on

(You can't hear me)  
Not a word that I be saying  
(Its plain to see)  
Girl I just be playing with you  
(Girl you and me, see it's just puppy love, oh)  
Bark on baby, bark on, bark on

You can't hear me  
It's plain to see  
Girl you and me  
See it's just puppy love, oh  
You can't hear me  
It's plain to see  
Girl you and me  
See it's just puppy love
