Falling Down

Oasis

The summer sun, it blows my mind
Is falling down on all that I've ever known
Time will kiss the world goodbye
Falling down on all that I've ever known
Is all that I've ever known
A dying scream makes no sound
Calling out to all that I've ever known
Here am I, lost and found
Calling out to all
We live a dying dream
If you know what I mean
All that I've ever known
It's all that I've ever known
Catch the wheel that breaks the butterfly
I cried the rain that fills the ocean wide
I tried to talk with God to no avail

Calling Him in and out of nowhere
Said if You won't save me, please don't waste my time
All that I've ever known
All that I've ever known
It's all that I've ever known
Catch the wheel that breaks the butterfly
I cried the rain that fills the ocean wide
I tried to talk with God to no avail
Calling my name and out of nowhere
Said if You won't save me, please don't waste my time
The summer sun, it blows my mind
It's falling down on all that I've ever known
Time will kiss the world goodbye
Falling down on all that I've ever known
Is all that I've ever known
