

# Ocean of Diamonds

[Willie Nelson](#)

Some people drink champagne out under the stars  
While others drink wine, leaning over a bar  
But all that I need dear to make me feel fine  
Is to know that your love will forever be mine I'd give an ocean of diamonds or a world filled with flowers  
To hold you closely for just a few hours  
Hear you whisper softly that you love me too  
Would change all the dark clouds to the bluest of blue I don't drink their champagne and I don't drink their wine  
So if you refuse me my poor heart will pine  
I'll be so lonely till the day that I die  
And as long as I live dear you'll still hear me cry I'd give an ocean of diamonds or a world filled with flowers  
To hold you closely for just a few hours  
Hear you whisper softly that you love me too  
Would change all the dark clouds to the bluest of blue  
Would change all the dark clouds to the bluest of blue
