

# Blood, Sex and Booze

## Green Day

Advisory - the following lyrics contain explicit language:

Waiting in a room, all dressed up and bound and gagged up  
To a chair, it's so unfair, well I don't dare to move  
For the pain she puts me through  
Is what I need so make it bleedI'm in distress, oh mistress I confess so do it one more time  
These handcuffs are too tight, well you know I will obey  
So please don't make me beg  
For blood, sex and booze you give meSay I'm disturbed it's what I deserve  
Another lesson to be learned  
From a girl called KillMy head is in the gutter  
Thank you sir, strike up another mandolin of discipline  
Throw me to the dogs, let them eat my flesh down  
To the wood, it feels so goodWell I'm in distress, oh mistress I confess so do it one more time  
These handcuffs are too tight well you know I will obey  
So please don't make me beg  
For blood, sex and booze you give meSay I'm disturbed its what I deserve  
Another lesson to be learned  
From a girl called KillI'm in distress oh mistress I confess so do it one more time  
These handcuffs are too tight well you know I will obey  
So please don't make me beg  
For blood, sex, and booze you give me  
I'll show you a real time
