Sharks (feat. Indiiana) [Crooper Edit]

Heimlich

You donÂ´t have to swim to far
The ocean is here, in your eyes
AinÂ´t you donÂ´t have to reach to high
Heaven is here, in your arms
I see you swim in through your life
So round about sharks (2x)
I see you swim in .... your life
So round about sharks (3x)
So round about sharks
Swim to me, come to me
Just reach and take my hand
Swim to me, come to me
I want you go back to ....
So round about sharks

You donÂ´t have to dick to deep
Trasher is here, in your heart
And you donÂ´t have to run to far
You could never .. ..
Who do you are?
I see you swim in through your life
So round about sharks (2x)
I see you swim in .... your life
So round about sharks (3x)
So round about sharks
Swim to me, come to me
Just reach and take my hand
Swim to me, come to me
I want you go back to ...
So round about sharks

NO LYRICS, just a hint
These lyrics are a part of the song, because for the rest, my knowledge about the language is bot available
The points, I use in my lyrics are words, I donÂ´t understand
