

# Evil Eye

## Fu Manchu

6 hours before  
With an evil grin  
Better brace yourself  
Straightaway or winCall power slide  
Separates them all  
Never touchin' the brake  
UnapproachableEvil eye has set his plan  
Erasin' all  
Evil eye has set his plan  
Erasin' allPushed through the floor  
Halfway through the turn  
As we ride up high  
The dirt starts to burnWheels of his heap  
Hits the backstreet wall  
Evil eye has signaled  
UnapproachableEvil eye has set his plan  
Erasin' all  
Evil eye has set his plan  
Erasin' allEvil eye will fall
