## Hot Tuna

Well now candyman, I said been here and gone  
Well candyman, I said been here and gone  
Well, candyman I said been here and gone  
Wish I was in New Orleans just sittin' on a candy stand Well now candyman I said salty dog  
Well candyman I cried salty dog  
Well candyman I said salty dog  
I can't be your salty dog and I won't be your candyman Well now run to the corner get the baby some beer  
I said run a to the corner get the baby some beer  
Well run a to the corner get the baby some beer, said  
Run to the corner get the baby some beer  
Now run a to the corner get the baby some beer  
Said wish I was in New Orleans I was sittin' on a candy stand Well now candyman I said been here and gone  
Candyman I said been here and gone  
Well candyman he been here and gone  
Wish I was in New Orleans yeah sittin' on a candy stand
