

Blasphemer

Sodom

Black metal is the game I play
'Cause no one show me the right way
I am a bloody Antichrist, only believe in bad
Spit at the church, evil I get Blasphemer
Blasphemer
Blasphemer
Blasphemer Rites of death return to Hell
I am Satan's child, attack you with spell I turn the cross upside down
And read Satanic Bible with fucking crown
My life begins at midnight twelve
Masturbate to kill myself Blasphemer
Blasphemer
Blasphemer
Blasphemer Rites of death return to Hell
I am Satan's child, attack with spell I love to drink my own blood
My sin is my life in a war with God
I talk to the demons night tonight
Make love and black masses in a dark shadow light Blasphemer
Blasphemer
Blasphemer
Blasphemer Rites of death return to Hell
I am Satan's child, attack you with spell Blasphemer
Blasphemer
Blasphemer
Blasphemer
