

# My Sweet Love Ain't Around

**Rhonda Vincent**

Listen to that rain a-fallin'  
Can't you hear that lonesome sound  
Oh, my poor old heart is breakin'  
'Cause my sweet love ain't around Memories come back to haunt me  
My dream house has done fell down  
This old world is dark around me  
'Cause my sweet love ain't around Lord, I think I'll start to ramble  
Got to leave this weary town  
This old place is way too lonely  
'Cause my sweet love ain't around On that train, tonight I'm leavin'  
And I don't know where I'm bound  
I can't stay here any longer  
'Cause my sweet love ain't around
