

The Key (feat. Kelis)

Breach

Have you back in my face
With all those years passed
I just got used to my space
I don't know how to feel
This whole thing seems so surreal

We got so much history
I hurt you, I hurt you
I hurt you, I hurt you
you hurt me
No, we don't need therapy
What I need is you here

You got so many issues
You got so many issues
You got so many issues
You got so many issues
You got so many issues
You got so many issues
You got so many issues
You got so many issues
You got so many issues

Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key

Baby, don't go
Baby, don't go
Baby don't
Baby, don't go

Baby, don't go
Baby, don't go
Baby, don't leave

Baby, don't go
Baby, don't go
Baby don't
Baby, don't go

Baby, don't go
Baby, don't go
Baby, don't leave

Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key

You got so many issues
You got so many issues
You got so many issues
You got so many issues
You got so many issues
You got so many issues
You got so many issues
You got so many issues

Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key
Oh, I'm so glad you give back the key

Oh, I'm so glad you give back my keys
