Unbreakable

Liv Kristine

Breaking forth
You tempt the deepest flood
You break forth where no man has set his feet
Savage blood plays in your veins
Whisper to me in your native voicesI thought my eyes were dead to light
My heart too still to love
My skin too white to be touched
I dwell in fear
A shadow too vast to cast a shade in your room
When you stay near I'm unbreakable
My mind is slipping away
My visions turning grey
Yet I am healingYou break through every wall
You will always find me
If I could get a little braver
A little more courageous
Then you will make me healBreaking forth
You dive the deepest oceans
Force forth where no one has left a mark
Savage blood runs through your veins
Sing to me in your native music
I thought my eyes were blind to light
My heart too kind to love
My skin too white to be touched
I dwell in fear when you are here
I'm unbreakable
We're unbreakable
