

Porch Swing Angel

Muscadine Bloodline

(Verse 1)

Don't you put on that make up
We aint going no where
Lets just sit on this porch swing
We can take it from there
It's the sound of the chain links
As we rock til it's night
And we can watch as the sunsets
In hopes of holding you tight

(Chorus)

And be my porch swing angel
Got my heart ??????
Got those eyes that will bring you to your knees
It's her smile like Sunday
Been a while but one day
Yeah that girl, she's the only thing I need

(Verse 2)

Want to tell her how I feel
I don't want to scare her away
We've been friends for a long time
I don't want to change that today
I'm sick of fighting these feelings
Cause I ain't slept in days
I'm tired of hanging on this limb
Cause I can't find the right words to say

(Chorus)

Except be my porch swing angel
Got my heart ??????
Got those eyes that will bring you to your knees
It's her smile like Sunday
Been a while but one day
Yeah that girl, she's the only thing I need

Be my porch swing angel

Got my heart ??????

Got those eyes that will bring you to your knees

Won't you be my porch swing angel

Got my heart ??????
Got those eyes that will bring you to your knees
It's her smile like Sunday
Been a while but one day
Yeah that girl, she's the only thing I need
Yeah that girl, she's the only thing I need
