

Swing Down Sweet Chariot

Elvis Presley

So graceful and pure
A smile bathed in light
No matter the distance
A miracle of sight

Though I should have known
I could not turn away
When faced with your beauty
No reason can stay

As you kiss him in the moonlight
With heavy words I say

If you love someone
Follow your heart
'Cause love comes once
If you're lucky enough
Though I'll miss you forever
The hurt will run deep
Only love can set you free

Trust in your dreams
Run with no fear
And if you should stumble
Remember I'm near

As a ghost I will walk
I'll look deep in my soul
I might find another
You gave me that hope

So as you kiss him in the moonlight
With heavy words I say

If you love someone
Follow your heart
'Cause love comes once
If you're lucky enough
Though I'll miss you forever
And the hurt will run deep

Only love can set you free

And if you love someone

Follow your heart

'Cause love comes once

If you're lucky enough

Though I'll miss you forever

The hurt will run deep

Love will set you free
