

Beyond the Realms of Death

Halford

He had enough, he couldn't take anymore
He found a place in his mind and slammed the door
No matter how they tried, they couldn't understand
They washed and dressed him, fed him by hand
Yea, I've left the world behind, I'm safe here in my mind
I am free to speak with my own kind
This is my life, this is my life, I'll decide not you
Withdrawn he'd sit there, stare blank into space
No sign of life would flicker on his face
Until one day he smiled, it seemed as though with pride
The wind kissed him, goodbye and then he died
Yea, I've left the world behind, I'm safe here in my mind
Free to speak with my own kind
This is my life, this is my life, I'll decide not you
Keep the world with all its sin, it's not fit for livin' in
Yea, I will start again it can take forever, forever, forever and ever
And ever, but I'll win
How many like him are there still
But to us, all seem to have lost the will
They lie in thousands, plagued and lost
Is nothing worth this bitter cost?
Yea, I've left the world behind, I'm safe here in my mind
Free to speak with my own kind
This is my life, this is my life I'll decide not you
Keep the world with all its sin, it's not fit for livin' in
Beyond the realms of death
