

You Want to Know the Truth

Karl Valentine

You want to know, how the story goes
Words do fail when hearts are frail
Something had gone wrong
My baby's gone

I was the only one
Who could hold on this long
I'm still holding on to you still

It seems like years ago,
but only yesterday
You were knocking at my door,
The children laughed and played,
You smiled and waved

I was the only one
Who could hold on this long
I'm still holding on to you still

You are the one who makes it real
You are the one who made me feel

I was the only one
Who could hold on this long
I'm still holding on to you still
