Dreams

Deepfield

All this emptiness inside of me
Nothing left to believe
All that's left I am receiving in vain
There's nothing left to give

I want to tell you about my dreams and
You don't know the half of me
And there's nothing left to save me now
Nothing to save me now

Give me something I can die for
All this hope and none for me
All that's left I am receiving in vain

There's nothing left to give
When there's nothing left to take

I want to tell you about my dreams and
You don't know the half of me

And there's nothing left to save me now
Nothing to save me now
Nothing to save me now

There's nothing left to
There's nothing to save me now
