Eating Only Apples

Reuben

She kisses me like music
I dont pretend I don't like it
Her lips are soft and Swedish
She leaves me gasping for moreSummer bleeds into my skin and,
Paints me the colour goldenAnd I'm done, I'm left alone exausted
Pick myself up off the road.And I won't come down to earth
It's along way down to...
And I dont come to earth.
It's a long way down, It's a long way down
