Love Lust

King Charles

Never let a woman go even when you know she can always be replaced.
She can always be replaced.
Oh, lust only grows like anger and revenge or beauty comes and goes but love stays until the end.I wrote you a song Mississippi Isabel
I even sent you flowers when you felt ill
You've the strength of the Greeks
You are god's masterpiece
You are every triumph, every victory
I believe in every breath you breathe.And I always imagined you'd be by my side
Whether I'm hiding in the city or tearing through the wild
You're only an older noose on my throat
If your beauty is a fortress then my love will be the moat.
Oh, fall in love with her. Fall in love with you, I must.I'll consume every part of you to indulge my love lust.Never let a woman go even when you know she can always be replaced.
She can always be replaced.
Oh, lust only grows like anger and revenge or beauty comes and goes but love stays until the end.Never let a woman go even when you knowWhether a flower in my hand or a gun in my hand, I'd give it all up for your hand in my hand.
For the sun on my skin as the morning begins, id die in the dark just to feel your skin on my skin.Never let a woman go even when you knowYour soul
Your love
Your blood
Treasure every beating heart that sets your soul on fire.
Love will set your soul on fire.
