

# You Can't Take It When You Go

**Dave Mason**

Don't try to possess me, I'll slip from your grasp  
The things that you seek have already passed  
In rushing to own everything that's in sight  
Nothing is left no, not even your life You can't take it when you go  
That's something that you oughta know  
Love isn't counted in gold  
Only in heart and soul Lies can't hurt, at least that's what you say  
But there'll be confusion as sure as night turns to day  
Truth is a feeling you just can't deceive  
Life's an illusion when you don't believe Can't take it when you go  
That's something that you oughta know  
Love isn't counted in gold  
Only in heart and soul Can't take it when you go  
That's something that you oughta know  
Love isn't counted in gold  
Only in heart and soul Over and over, day after day  
Life's precious moments are wasting away  
If dreams are the schemes on which futures are made  
Dream on sweet dreamer until you reach your grave You can't take it when you go  
That's something that you oughta know  
Love isn't counted in gold  
Only in heart and soul
