Goat - Creative Alienation

Clandestine Blaze

Black shadow of Goat
Follows behind
When walking far away
from herd of human"As he shall separate them one from another,
as a shephard divideth his sheep from the goats.
And he shall set the sheep on his right,
but the goats on his left"
(matthew 25: 32-33)Refusal to run
with the flock
Not to be herded
separation, act of own willdoctrine of misanthropy
creative hatred for the herd
goat behavior
not living with the sheep
