

# The Party's Over

**Kelli O'Hara**

The party's over  
It's time to call it a day  
No matter how you pretend  
You knew it would end this wayIt's time to wind up  
A masquerade  
Just make your mind up  
The piper must be paidThe party's over  
The candles flicker and dim  
You danced and dreamed through the night  
It seemed to be right just being with himNow you must wake up  
All dreams must end  
Take off your make up  
The party's over, it's all over, my friend
