

Knowledge

Green Day

[Verse 1]

I know that things are getting tougher
When you can't get the top off from the bottom of the
barrel.

Wide open road of my future now...

It's looking fucking narrow.[Chorus]

All I know is that I don't know

All I know is that I don't know nothin'

All I know is that I don't know

All I know is that I don't know nothin'[Verse 2]

We get told to decide.

Just like as if I'm not going to change my mind.[Chorus]

All I know is that I don't know

All I know is that I don't know nothin'

All I know is that I don't don't know

All I know is that I don't know nothin'[Solo][Bridge]

Whatcha gonna do with yourself,

Boy better make up your own mind...

Whatcha gonna do with yourself boy,

You're running out of time.[Chorus]

All I know is that I don't know

All I know is that I don't know nothin'

All I know is that I don't don't know

All I know is that I don't know nothin'
