

# Colorful

## Sigurt

The show is over close the story book  
There will be no encore  
And all the random hands that I have shook  
Well they're reaching for the door  
I watch their backs as they leave single file  
But you stood stubborn, cheering all the while

I know I can be colorful  
I know I can be gray  
But I know this loser's living fortunate  
'Cause I know you will love me either way

Most were being good for goodness sake  
But you wouldn't pantomime  
You are more beautiful when you awake  
Than most are in a lifetime  
Through the haze that is my memory well  
You stayed for drama though you paid for a comedy

I know I can be colorful  
I know I can be gray  
But I know this loser's living fortunate  
Cause I know you will love me either way

Look ahead as far as you can see  
We'll live in drama but we'll die in a comedy  
I know I can be colorful...
