

This Hurts

Mindless Self Indulgence

Uh Oh (x3)Yeah, yeah!Oh god I'm beautiful!

Oh god I'm wonderful!

I'm marvelous, intelligent

So why doesn't that make me feel better?!I need some more, I need someone who's insecure!

I don't care who you are, controlling you makes me better!This hurts me more than it will ever hurt you!

(x2)This will hurt you...

This will help me, help me hurt you!Uh Oh (x3)Yeah, yeah!Oh god I can't exist!

I need someone meaningless to justify my existence!

Fuckin' you will keep me alive!

But it never does, and that's the way it always was

Lovely ladies, maids of honor, fucking you will make me stronger!This hurts me more than it will ever hurt you!

This hurts me more than it will...This will help me, help me hurt you!Oh-god-I'm-beautiful-oh-god-I'm-wonderful

I'm-marvelous-intelligent-so-why-doesn't-that-make-me-feel-better?!**FUCKING YOU WILL MAKE ME STRONGER!**This will help me...

(This hurts me more than...)

This will hurt you...**FUCKING YOU WILL MAKE ME STRONGER!**This will help me, help me hurt you!
