Godless

Danzig

Godless feeling in me
Night after night, oh
Godless feeling in me
Borne over lies
You gave me all of this and more
Yeah, that's for sure
I can't believe in all your pain
Under the draining of a Christian deities blood
You tell your children they're insane
I couldn't love it anymore
Had to listen to my heart
Couldn't take it anymore
So you leave me godless
Just spread your tentacles of hate around my life
I've taken more than you could ever give
You can't believe that someone challenges your right
I'm gonna send you back your pain
I couldn't love it anymore
Had to listen to my heart
Couldn't take it anymore
So you leave me godless
I ask all who have gathered here to join me in this feast
May we always be strong in body, spirit and mind
And all of those who would try to harm us
Let them be cast aside
