

Never Gon' Stop

Maino

Hook:

I guess this what they cause it
I gotta stand talking full of get a
I ain't never gon' stop now
No I ain't never gon' stop now

Yeah

I'm a victim of the game

They only got a rule that I'm tryin' to maintain

And I'm never gon' stop now

Now I'm never gon' stop now

It is Your trap is a success the money a stress

The ups and downs, the jury on my neck

The hate, the love, the tattoos on my flash

The club, the drug, the liquor on my breath

My haters on my the groupies in my room

I hate to be in lames, uncomfortable with goons

I try to be the just still I

People say I'm 80 behind my successful

My friends my homies in the

You could feel my pain and it gon'na feel the

The critics say I'm fly but my say a million

My baby mama flippin' say this game maybe different

To me and my trippin' too much too sippin'

Wakin' up and tellies too many different women

Looking I'm living

The parties the drinking

I'm high, I'm low, oh no I'm thinking I guess this what they cause it

I gotta stand talking full of get a

I ain't never gon' stop now

No I ain't never gon' stop now

Yeah

I'm a victim of the game

They only got a rule that I'm tryin' to maintain

And I'm never gon' stop now

Now I'm never gon' stop now

It is The cause, the clothes, the friend, the hoes

My blood, my sweat, my tip, my soul

The truth, the lies, the songs,

The I'm happy, what happen my life

I'm got up in this world
I feel me and see my son in weeks
And see my family neither
'cause people say I'm changing
My enemies is they can't believe I'm famous
Am I really winnin 'cause I can take you loses
Another girl is pregnant that's one more portion
Catch me 'cause I'm fallin' I hear thing callin'
But tell me why I'm spillin' like my life is in the tall in
Tell me who to trust I don't know who
I don't know who's I don't know if this
I don't know who's I don't know if this
I don't know if this a fan or a tryin to kill me
Thinking to myself it was easy before
Got in the game but it got all complicated I guess this what they cause it
I gotta stand talking full of get a
I ain't never gon' stop now
No I ain't never gon' stop now
Yeah
I'm a victim of the game
They only got a rule that I'm tryin' to maintain
And I'm never gon' stop now
Now I'm never gon' stop now
It is The joy, the pain, the hook, the game
Stage the lights, they yelling my name
Tryin' bell this I don't to stand like
I don't know what plus my cousin please why you takin' so light
Well I'm feeling like it was simple and it was pour
Baby I'm alcoholic lately I've been drinking more
Lately I've been feeling stressed what it got
Damn what a life this gonna be the captain I guess this what they cause it
I gotta stand talking full of get a
I ain't never gon' stop now
No I ain't never gon' stop now
Yeah
I'm a victim of the game
They only got a rule that I'm tryin' to maintain
And I'm never gon' stop now
Now I'm never gon' stop now
It is
