

Reach Out I'll Be There (New Stereo Version)

Four Tops

Now if you feel that you can't go on
Because all of your hope is gone
And your life is filled with much confusion
Until happiness is just an illusion
And your world around is crumblin' down
Darling, reach out, come on girl, reach on out for me
Reach out, reach out for me
I'll be there, with a love that will shelter you
I'll be there, with a love that will see you through
When you feel lost and about to give up
'Cause your best just ain't good enough
And you feel the world has grown cold
And you're drifting out all on your own
And you need a hand to hold
Darling, reach out, come on girl, reach out for me
Reach out, reach out for me
I'll be there, to love and comfort you
And I'll be there, to cherish and care for you
I'll be there, with a love that will see you through
I'll be there to love and comfort you
I can tell the way you hang your head
You're without love and now you're afraid
And through your tears you look around
But there's no peace of mind to be found
I know what you're thinkin'
You're alone now, no love of your own
But darling, reach out, come on girl, reach out for me
Reach out
Just look over your shoulder
I'll be there, to give you all the love you need
And I'll be there, you can always depend on me
