

Adagio

Lara Fabian

I don't know where to find you
I don't know how to reach you
I hear your voice in the wind
I feel you under my skin
Within my heart and my soul
I wait for you
Adagio All of these nights without you
All of my dreams surround you
I see and I touch your face
I fall into your embrace
When the time is right I know
You'll be in my arms
Adagio I close my eyes and I find a way
No need for me to pray
I've walked so far
I've fought so hard
Nothing more to explain
I know all that remains
Is a piano that plays If you know where to find me
If you know how to reach me
Before this light fades away
Before I run out of faith
Be the only man to say
That you'll hear my heart
That you'll give your life
Forever you'll stay
