

Supa Scoopa And Mighty Scoop (LP Version)

Kyuss

Don't try to take me away,
Like I can't live without you
Today,
Makin' love tomorrowSome way,
Swooping you're so fragile
Die today,
You disgrace the mortalFight me lately, tried to someone,
We've been laughin' since you've been gone
And I want to know
Did you all enjoy the show?It's so sad to see you go...And you know!
I'm home!
Alone!
Ooohh, so stoned!Hangin' low today,
I replace the highway
Love's the only way,
Linking hands the wrong waySo I'd better see you go,
It's so sad to see you go, I jus' thought I'd let you know...And you know!
I'm home!
Alone!
Always on his own!
