Get Ready For This

2 Unlimited

Ya'll ready for this?
Get down with the style,
House on the ground,
Please when I squeeze,Pump to your knees.
Who wants to play?
I'm in here to stay,
Ready to take you around the way,So get ready for this.
Mind your own biz,
Cause I invented the microphone biz.
No need to sit, cause we're 2 UnlimitedReady, ready, ready for this!
Feel the base, you just get closer.
Be impressed by the words I chose of,
Once again kickin' it live,Doin' everything yo just to survive
A wall to wall, I think I stand,
Being on stage with a mic in my hand,
Bustin' it live to the crowd,The age is 20, I'm from the south!
Be a part,
Break my heart.
Get ready for this,Mind your own biz.
People in the front,
Show me what you want,
And I won't give it in.Get ready for this!
We're 2 Unlimited,
So people won't you sit?
Movin' up and down,Dancin' on the ground.
Feelin' kinda free; security.
House is style that moves you from the ground.
House on the ground, bass in your face,Racin' the place, no time to waste.
Feelin' hypnotised,
I can see it in your eyes.
Feelin' kinda better,Put on your sweater.
Feelin' like a white,
I think it doesn't matter.
Super, dope, def, and even outrageous.If I was an animal, they'd've kept me in cages,
So get ready for this!
Ya'll ready for this?
Step back, relax. Don't you want to come in?When I start rappin' the girlies want to come in.
Into my house, into my room,
That's the part where it goes "boom! boom!"

Name here is Ray, the group is 2 Unlimited,We've got a lot to say to you, ah yeah and your other crew, if it is A
Dream, boom see boom!
