I Think I See The Light

Yusuf Islam

I used to trust nobody
Trusting even less their words
Until I found somebody
There was no one I preferredMy heart was made of stone
My eyes saw only misty gray
Until you came into my life
I saw everyone that wayUntil I found the one
I needed at my side
I think I would have been
A blind man all my lifeI think I see the light
I think I see the light
I think I see the lightI used to walk alone
Every step seemed the same
This world was not my home
So there was nothing much to gainLook up and see the clouds
Look down and see the cold floor
Until you came into my life
I saw nothing, nothing moreUntil I found the one
I needed at my side
I think I would have been
A blind man all my lifeI think I see the light
I think I see the light
(Shine, shine, shine)
I think I see the light
(Shine, shine, shine)I think I see the light
I think I see the light
So shine, shine, shine
Shine, shine, shine
Shine, shine, shineI think I see the light
Coming to me, coming through me
Giving me a second sightSo shine, shine, shine
Shine, shine, shine
Shine, shine, shine
Shine, shine, shineShine, shine, shine
(I think I see the light)
Shine, shine, shine
(I think I see the light)
Shine, shine, shine
(I think I see the light)Keep on shining

I think I see the light
I think I see the light
I think I see the light
I think I see the light
