

Let Them Talk

Geraldo Pino

Let them talk
If they want to
Talk, don't bother me
I want the whole wide world to know
That I love you so

Let them whisper
For they know not what
What's between you and I
And I'll keep on loving you
Until the day I die

They're trying to break up our romance
But they don't stand a chance
We have a love that's so strong
We'll be together from now on on on

Let them gossip
It's the devil's workshop
True love, can make it stop
And I want the whole wide world to know
That I love you so

They're envious of everything we do
But
It's so wonderful
When you love someone
And that someone LOVE'S YOU
