

Please

Ludo

Sun falls slowly
On our lonely
Goodbye bedroom
You're my only My last night home is
First night nervous
Take me over
Remember all this
'Til then Please save this for me
I'll come back for you love I promise to
Please save this for me
For until I return my love will burn
And my heart will stay It's gone cold now
We'll sleep somehow
I'll be gone by first light
Last chance hold tight
Until then Please save this for me
I'll come back for you love I promise to
Please save this for me
For until I return my love will burn
And my heart will stay I lie awake and memorize your face
As you sleep next to me
The falling moon is calling me
As I leave Sun rise slowly
The road looms lonely
But I will not fail Please save this for me
I'll come back for you love I promise to
Please save this for me
For until I return my love will burn
And my heart will stay Please save this for me
I'll come back for you love I promise to
Please save this for me
For until I return my love will burn
And my heart will stay
My heart will stay
