Where Or When

George Michael

When you're awake the things you think
Come from the dreams you dream
Thought has wings and lots of things
Are seldom what they seeSometimes you think you've lived before
All that you live today
Things you do come back to you
As though they knew the way
Oh, the tricks your mind can playIt seems we stood and talked like this before
We looked at each other in the same way then
But I can't remember where or whenThe clothes you're wearing and the clothes you wore
The smile you are smiling you were smiling then
But I can't remember where or whenSome things that happen for the first time
Seem to be happening again
And so it seems that we have met before
And laughed before, and loved before
But who knows where or whenIt seems we stood and talked like this before
We looked at each other in the same way then
But I can't remember where or whenThe clothes you're wearing and the clothes you wore
The smile you are smiling you were smiling then
But I can't remember where or whenSome things that happen for the first time
Seem to be happening again
And so it seems that we have met before
And laughed before, and loved before
But who knows where or when
