Where I Wanna Be

Lumidee

You walk in
Everybody's talking
Right away I see you
But I turn away
You won't stop
Giving me that eye lock
And I think it's real hot
But I still behaveBaby you look like trouble
You're gonna get me in trouble
I hope you're work for the trouble
At the end of the day
Boy you ain't got to let me fight, no no
You ain't got to make me your wife, no
You get me that feeling
I just wanna feel it
Take me where I wanna be
Where I wanna be
Where I wanna be
Where I wanna be
Where I wanna beYou're pacing
It seems like you're waiting
I'll stop hesitating
Your aura is insane
My mind's gone
The shit you got my mind on
Damn, it's turning me on
I want you to stay
Boy you ain't got to let me fight, no no
You ain't got to make me your wife, no
You get me that feeling
I just wanna feel it
Take me where I wanna be
Where I wanna be
Where I wanna be
Where I wanna be
Where I wanna beYou get me that rush
Can you run that? Don't stop!
Starting up my engine
Rush, I got a crush

Maybe I'm just in lust
You get me that rush
Can you run that? Don't stop!
Starting up my engine
Rush, I got a crush
Maybe I'm just in lustBaby you look like trouble
Want you to get me in trouble
I hope you're work for the troubleBoy you ain't got to let me fight, no no
You ain't got to make me your wife, no
You get me that feeling
I just wanna feel it
Take me where I wanna be
Where I wanna be
Where I wanna be
Where I wanna be
Where I wanna beBoy you ain't got to let me fight, no no
You ain't got to make me your wife, no
You get me that feeling
I just wanna feel it
Take me where I wanna be
Where I wanna be
Where I wanna be
Where I wanna be
Where I wanna be
